

We are proud to announce the winners of the **1st ever Verus Animal Nutrition Playoff Pool:**

1) Stone Hands wins the 50" Plasma TV.

a. This team of 3 Penguins, 2 Rangers, 3 LA Kings and 2 Predators needed every game to ensure a victory. Great picking and you will always go down as the 1st ever Champion.

2) Lidberg is runner up and wins the IPAD

a. This mixed bag team had 2 Penguins, 2 Devils, 1 NYR, 2 LA Kings, 2 Detroit and 1 Coyote. I shouldn't make fun of a team that comes second, but I've never seen a team do this well with such a mixed bag of players! You must have quite a few hats in your closet!

3) Team Stucco ends up 3rd and wins the Netbook

a. This team had 3 Blues, 4 NYR, 1 NJD and 2 Coyotes. If the Rangers had made it through, Stucco would not be a bridesmaid, but the bride. Save your dress for next year as you will be an early favourite.

4) For Last place The Heenan Family won a microwave

a. This team with 5 Bruins and 5 Canucks was a season too late. Good luck next year with your team of 5 Kings and 5 Devils.

We want to thank everyone for participating and hope everyone had a great time with our hockey pool. We look forward to running it next year as well.
